Junior Choir Audition Requirements (open to ages 8-12):
1pm October 29th, 2016

The Junior Choir exists to provide promising young singers high quality vocal and musical training, and regular performance opportunities. Ability to read music is preferred, but not essential; we are looking to identify potential as much as pre-existing skills. The audition will consist of a group warm-up and sing, followed by hearing each child individually. Please come prepared with one short piece, or excerpt of a piece, to be performed by memory, and 2 copies of the sheet music. The piece should be age-appropriate and the best example of your vocal ability. The individual component will be friendly and low pressure, and used as a way to get to know each child and their voice.

Senior Choir Audition Requirements (open to ages 13-18):
3pm October 29th, 2016

The Senior Choir exists to provide skilled young vocalists advanced training in choral singing, music theory, aural skills and sight reading. Pre-existing musical literacy is essential. Please come prepared to sing a short, stylistically appropriate piece by memory (for example a folk song, Lieder, English art song, sacred solo, etc.) There will also be a short sight-reading component.
